A RESOLUTION

"Establishing a Non-Capital Reserve Account pursuant to RSA 34:1-a."

Resolved by the Board of Mayor and Aldermen of the City of Manchester as follows:

Section 1. Pursuant to RSA 34:1-a there is hereby established within the general fund a non-capital reserve account into which funds annually appropriated by the Board of Mayor and Aldermen shall be deposited. The Finance Officer shall segregate principal in the account from earnings realized from the investment of the balance in the account.

Section 2. Funds in the non-capital reserve account shall be placed in the custody of the Trustees of Trust Funds. Such funds may be deposited or invested in such a manner as is lawful for the deposit or investment of funds belonging to the City.

Section 3. The Board of Mayor and Aldermen may subdivide the balance in the non-capital reserve account to designate a portion or portions for a specific purpose or purposes subject to division (4) of this section.

Section 4. The Board of Mayor and Aldermen may appropriate the balance or a portion of the balance during the development of the annual budget subject to the following conditions:

- (A) The Board of Mayor and Aldermen may appropriate not more than ten percent (10%) principal, or any investment earnings thereon, for non-capital purchases for motorized equipment, technology or other assets with a five year life or less.
- (B) The Board of Mayor and Aldermen may appropriate an amount not to exceed seventy-five percent of the investment earnings from the prior fiscal year.

Section 5. No available balance in the non-capital reserve account shall be utilized for any purpose other than those authorized herein, without the specific approval of two-thirds of the Aldermen-elect.

Section 6. Resolved, that this resolution shall take effect upon its passage.

being the point of beginning.

That the district is to include all properties within the described
boundaries.

2. That the assessed values of the properties for purposes of assessments be established in accordance with the property tax maps and records as maintained by the Board of Assessors.
3. That services to be provided within the District consist of daily cleaning, maintenance and inspection of incidental repairs within the right-of-way in the District and such other services as determined by the Advisory Board.
4. That the special district assessment for Fiscal Year 2006 be established at \$.64 per thousand dollars of assessed value of each property assessed within the district.
5. That the special district assessment shall be made against the owners of all commercial, all industrial and residential properties of five units or more, (excluding multi unit condominium properties).

Resolved, that this Resolution shall take effect upon its passage.

Report of the
Central Business District Advisory Board

To the
Board of Mayor and Aldermen

March 2005

This report is pursuant to the requirements of Chapter 37: Central Business District Service Districts of the City Ordinances and to the requirements of New Hampshire Revised Statutes Annotated 31:122. In Manchester, there is only one district generally encompassing the Downtown and Millyard. Each property owner pays an additional surcharge on the property tax. This fee brings in approximately \$225,000 per year. Currently the City contracts with a non-profit organization – Intown Manchester – to carry out the services within the area. The main contract has expired and the Board of Mayor and Aldermen granted them a one-year extension until June of 2005.

The purpose of this report is to advise you on recent reviews by the Advisory Board and to make recommendations on future contracts concerning the Central Business District.

Advisory Board Responsibilities

The CBSD Advisory Board is established to provide recommendations to the Board of Mayor and Aldermen on the geographic area of Central Business Service Districts and on the types and levels of services to be offered. The Advisory Board normally meets in the early part of each year to provide a recommendation into the BMA budget process.

The Board consists of seven members, of which not less than five members shall be within the district and are known as district members. Other members are known as at-large members. Members are appointed by the Mayor for a term of five years. At the present time, there is one vacancy on the Advisory Board.

Review Process

The Advisory Board has met on a regular basis over the past year to review the district area and operations, survey business owners and tenants in the area and review the current contract with Intown Manchester, which administers the services within the CBSD. There was review and discussion on a number of issues such as:

- ◆ Communication with owners and businesses in the area;
- ◆ Events and promotions;
- ◆ Staffing of Intown
- ◆ Coverage of services in various portions of the district;
- ◆ Geographic area of the district;
- ◆ Garbage pickup;
- ◆ Snow removal; and
- ◆ Sidewalk repair.

An in depth survey was completed which was submitted to property owners, businesses and employees within the district. There were approximately 200 responses which represented a very good response rate.

The survey asked the respondent to rate Intown Manchester on particular services being provided, asked respondents to prioritize needs within the district (including certain services which are not handled by Intown Manchester such as security) and allowed for written comments in general.

The results were positive in many respects but also highlighted areas that required additional work. It should also be noted that the City has responsibilities in the district that must be met in addition to the responsibilities of Intown Manchester. Items such as security, street and sidewalk reconstruction and repair, parks maintenance, and lighting are continuing issues that must be addressed.

A summary of survey results is attached and additional information on the survey is available from the Planning and Community Development Department.

Following action by the Board of Mayor and Aldermen on the CBSD, the Advisory Board plans to meet on a regular basis (roughly every 4 months) to review progress on the services offered.

Recommendations to the Board of Mayor and Aldermen

It is the recommendation of the Central Business Service District Advisory Board that:

- 1) That the geographic area of the current district is adequate and does not need to be changed in 2005.
- 2) That the contract with Intown Manchester be extended for a three-year period.
- 3) That the new contract be written to be much clearer as to the services to be offered within the district.
- 4) That the contract and Intown Manchester focus on the following activities:
 - a) Maintenance. This to include: insuring that the public areas are lean and inviting (including after events in the evenings and weekends); advocating programs with businesses to promote cleanliness; coordinating maintenance responsibilities with various City Departments; and advocating for infrastructure improvements in the District.
 - b) Beautification. This to include: improving the greening and flowering of the district; promoting façade and private sign upgrades in the district; insuring that seasonal displays are installed and removed on a timely basis; and promoting lively streetscape features such as banners.
 - c) Communication. This to include: advocating for downtown life and business; outreaching to and getting to know all property owners and businesses; and communicating with the public, property owners and businesses about events and other important information about the downtown.

It should be noted that Intown may conduct other activities, such as concerts, but that the funding from the CBSD assessment be directed towards the above three services and that other activities be funded from other sources.
